GRADE 4 SUPPLY LIST

SCHOOL YEAR 2026-2027

INDIVIDUAL ITEMS (please LABEL with your child's name)

- 1 Set of earbuds or headphones (no Bluetooth; must connect to laptop with standard plug)
- 1 Water bottle with push down lid*
- 1 School bag**

PHYSICAL EDUCATION

- Students are required to wear a school approved PE uniform. Details will be shared with the parent community on Sahifa as soon as they are available.
- Swimming Unit: Swim cap required and goggles strongly recommended. Swim cap can be purchased from the Booster Store located in the High School.

PLEASE NOTE

*Please note that the American School of Doha does not sell bottled water on campus and strongly recommends that all students and ASD community members have a reusable water bottle with them. Water coolers and fountains are available to refill bottles and reusable cups can be found in both cafeterias.

**Please ensure your child's backpack is large enough to fit books and supplies, but small enough to fit in our cubbies. Cubby dimensions are height 22.5 in/58 cm; width 14.5 in/37 cm; depth 17 in/43 cm.

Additionally, please do not send your child to school with a wheeled backpack. Because students do not need to transport heavy textbooks or laptops to and from school, the extra weight and frame of wheels are unnecessary. Furthermore, wheeled backpacks can create a significant safety hazard in our hallways and classrooms.

Please do not send any additional items.
