

Pre-K - Grade 12 ASD Art Mission

ASD Art students will learn that the visual arts are a universal language essential to becoming a well-educated global citizen.

ASD Art Vision

ASD is a vibrant learning community...
Where art learning is sensory loaded
Where art learning is fun yet rigorous
Where art learning is aesthetically infused
Where art learning is insightful and innovative
Where art learning is engaging and reflective
Where art learning is informed and discerning
Where art learning is open-ended and exploratory
Where art learning is thought provoking and evocative
ASD is where art learners are persistent, productive, and enriched...

Essential Agreements for Art

ASD visual arts teachers will mentor students to use critical thinking and creative problem solving to meet or exceed the ASD visual arts standards and benchmarks.

ASD visual arts teachers will facilitate the learning of art through the experience of creating works with an emphasis on cultural, historical, and social values and issues.

ASD visual arts teachers will use a variety of formative and summative assessment strategies, focusing on creating ideas, building skills, and developing self-reflection toward personal growth.

ASD visual arts teachers will encourage the active inclusion of students' experiences, personalities, ideas, and imagination in the creation and exhibition of visual arts.

ASD visual arts teachers will aspire to develop lifelong learners who appreciate, understand and create art.
